KIDS HAVE A VOICE TOO..

SAVE THE DATE...

Are you happy with the way Florida treats its children?

By almost every objective standard, Florida ranks poorly in measure after measure of how we invest in children.

Now you can do something to change that!

Join with thousands of supporters across the state at the Central Florida rally to raise our voices for children. Show influential leaders in Tallahassee and across the state that we have the power to make the well-being and education of our youngest and most vulnerable citizens Florida's highest priority.
